

Applications for Baffinland 2025 Student Scholarship Program - Now Open

Oakville, ON – Baffinland is now accepting applications for our 2025 Student Scholarship Program. The five, \$5,000 scholarships are awarded annually to Inuit students enrolled under the Nunavut Agreement and pursuing a post-secondary education.

Baffinland remains committed to education and training in the Baffin communities. We support and encourage the pursuit of post-secondary education and recognize the importance of learning and development as pillars to the ongoing development of the Baffin communities and all of Nunavut.

For 2025, five scholarships, in the amount of \$5,000 each, will be awarded to the top five applicants, with priority given to the following educational areas:

- Marine and Environmental Studies
- Geology and Engineering
- Health and Wellness
- Education and Management Studies
- Business Administration

Eligibility/Criteria

Open to Nunavut Inuit enrolled under the Nunavut Agreement. Priority will be given in the following order:

1. Inuit applicants from Arctic Bay, Clyde River, Igloolik, Pond Inlet and Sanirajak
2. Inuit from the Qikiqtani region
3. Inuit from the rest of Nunavut

Baffinland Iron Mines Corporation is jointly owned by The Energy and Minerals Group and ArcelorMittal, and operates the Mary River high-grade iron ore mine located on Baffin Island, Nunavut, Canada. Nunavut's high-grade iron ore is among the richest iron ore deposits ever discovered.

The Mary River Mine produces the highest grade direct shipping iron ore in the world. What sets this operation apart from many others is that the iron ore is crushed and screened on site, and then shipped directly to markets – no concentrating or processing is needed, and as a result no tailings are produced.

Baffinland is committed to operating in an environmentally and socially responsible manner that benefits Inuit, Nunavummiut and all other stakeholders.
